### *Maui Shower GSA Application Submission for GSA Contract under FSC Group 56*

The GSA Contract, which represents Maui Shower's continued momentum in the government market, makes it easier for U.S. federal government, as well as state and local agencies, to procure Maui Shower's mobile shower services.

#### About Maui Shower

Tim Watts, CEO of Maui Shower said, "It started with an idea when my daughter would not be able to shower at a four (4) day music festival." After seven (7) years of development, Maui Shower has now been featured in magazines like Pro Magazine and Dragster Weekly, in newspapers such as News Sun, Oskaloosa Herald, Volga Tribune and Sacramento Bee, and in the national news and on Fox 6 news, Sacramento, CA. They provide mobile showers for NASCAR and other outdoor events, including WRESTLEMANIA 24, and for the fire relief volunteers in Sacramento, CA.

Sam Watts, of Maui Shower, continued, "We tried to achieve a GSA contract award for a year with no luck. Being a small business, we didn't have time to fill out all the paperwork for the GSA and run our day to day operations. We were then told about MarketUS, and how they could help us with our GSA goal. After a couple phone conversations, and some emails back and forth, we went ahead and decided to work with them. We filled out some forms and before we knew it, our paperwork had been submitted. MarketUS took a lot of the hassle off of our hands, and we were still able to continue on with our day to day operations."

MarketUS CEO Michael Price said, "We are thrilled to be able to assist another fellow Veteran enter the federal arena to offer their products. We have worked hard to assist as many Veterans as possible in obtaining their GSA contract to facilitate government procurement."

#### About MarketUS
