

Zen Cart Design and Development

By Melanie Prough

Dated: Aug 08, 2008

Our Zen Cart total Store-Start package includes everything you need to begin your e-commerce online store. We have thought of everything and it's all included!

We mentioned everything, and we meant it. We have selected the right web designs and mod installations, proper hosting, and expert configurations based our own Zen Cart experience and of course our own professional server side optimization package (\$150.00 value) is included. Additionally, just so you have ALL the tools you need, we will deliver you your very own Zen Cart Manual so you can run your new Zen Cart like an expert!
