*A. F. Stewart launches the revised and expanded edition of her book, *Inside Realms*, a short story collection, to the online marketplace and Lulu.com.*

Up-and-coming author A. F. Stewart has re-released her fantasy book, *Inside Realms*. It is a 124 page short story collection, exploring themes of love, loss, death and vengeance. The book is being independently published by Lulu.com, (www.lulu.com), the world's fastest-growing provider of print-on-demand books. *Inside Realms* is available now on Lulu.com (<http://www.lulu.com/content/1156075>) and will soon be available through online retailers.

Inside Realms is an assorted work of fantasy, with several of the stories set in the locales of the author's upcoming novels. Within the pages roam musical wizards, kings, witches, vampires and deities.

Three of the stories follow the deeds of the Song Mages (characters in the progressing novel, *Song of the Wind and Sea*); two occupy the world of King Arthur. The rest of the stories involve vampires, the ghostly Undead, a strange tale of love and a fable of the Second World. The book's tales are subtle character studies, situated inside amazing worlds.

Inside Realms is an introduction to the fantasy writing of A. F. Stewart, as well as giving the reader a taste of her yet-to-be-published novels. It stands as an example of further work to come: such books as *Chronicles of the Undead*, *The Last Heir of the Raven* and of course *Song of the Wind and Sea*.

Inside Realms is just one of three publications A. F. Stewart has available for purchase. She has also written a volume of poetry, *Tears of Poetry*, and the small movie guide, *The Incomplete List of Action Movie Cliches*, a tongue-in-cheek look at action films. All books are featured on the Lulu.com website.
