### *Keystone State ActionCOACH Earns Award for "Best Client Results"*

ActionCOACH hosted the largest gathering of Business Coaches in the world at its Global Conference held at the Newport Beach Marriott Hotel & Spa in Newport Beach, California.

At its annual awards dinner, ActionCOACH recognized Business Coach Thom Finn for its "Best Client Results" award due to the success his clients earned as a result of his coaching.

The numbers that determined Finn's award showed his clients are growing faster than their counterparts in their specific industries and markets.

In presenting the award, ActionCOACH CEO Brad Sugars pointed out Finn's capacity to grow revenue.

"Thom is a great strategist and his record of increasing revenue for his clients is remarkable; he is well-known for his client-retention rates," he said. "This is the second time he has won this award and it is an honor to again present it to him."

Finn is a partner in ActionCOACH of Central Pennsylvania, working with small-to-medium sized businesses from offices in Harrisburg and Lancaster. He has many years of experience in corporate sales and marketing management, and has the unique ability to pinpoint revenue problems and opportunities.

He has successfully completed the rigorous ActionCOACH certification program, and is also qualified to advise his clients on the other components of a long-term business plan – the financial, operations, and human resources strategies.
