Online retailer of Irish gifts, jewelry and souvenirs adds a new collection of Irish knitwear. The collection comes from Ireland's largest and best-established knitwear manufacturer, Carraig Donn.

“Carraig Donn draws its inspiration from the natural landscape in the surrounding countryside of the West of Ireland” says David Finlay of SimplyIrish.com. “The knitwear, which is inspired by Ireland, is a style that blends quality and tradition with the latest designs and colours”

The range of knitwear includes Women’s, Men’s and Children’s garments as well as blankets, hats, gloves, footwear and Aran Island inspired knitwear.

The Carraig Donn brand is one which is inspired by a wonderful Irish heritage and one which is synonymous with the very best Irish knitwear has to offer.

The knitwear range uses Irish wool and merino wool. Each garment is made to the highest standards at the foot of Croagh Patrick in the West of Ireland.

Simply Irish and Carraig Donn's missions are the same, to offer their customers the most innovative designs, the highest quality standards, at the most competitive prices.

”The range is all Irish” Finlay says.” We believe in that this is the highest quality Irish knitwear we can offer to our customers.”
