Aug. 15, 2008 - [PRLog](#) -- MachineryFrontier.com, the online woodworking machinery marketplace, will attend the International Woodworking Fair (IWF 2008) on August 20 -23. Their representatives will be available to discuss opportunities to list woodworking tools and used machinery on their website, <http://www.machineryfrontier.com>.

MachineryFrontier.com provides a great opportunity for machinery buyers to find high quality industrial woodworking tools and equipment. Industrial buyers can easily access and get detailed information about new and used machinery listed for sale. Machinery listings are searchable by manufacturer or machinery category, such as boring machines, planers, grinders, routers, moulders, finishing equipment, forklifts and more.

Machinery sellers can list their machinery inventory online and benefit from higher exposure and a large targeted audience. MachineryFrontier.com gives each seller a set of tools to create a custom machine listing with detailed information and photo gallery.

"We are so pleased to offer the woodworking community a unique online experience and a phenomenal win-win proposition," comments Karilena Bencuya, Founder of MachineryFrontier.com.

"By helping sellers broaden their markets and by helping buyers to find quality woodworking machinery, everybody wins! In fact, enhancing the relationship between the buyer and the seller is at the heart of our mission and we could not be more proud to bring our revolutionary, web-based marketplace to this great industry," Karilena Bencuya explains.
