

## Can You Be Lucky Enough To Win Millions in Lottery Three Times? Texas Lottery Reports.

*Joan R. Ginther of Bishop claimed her \$3,000,000 winning in Millions & Millions, a scratch-off game from the Texas Lottery. "This is the third time Ms Ginther wins millions with Texas lottery", lottery officials said.*

**Aug. 20, 2008** - [PRLog](#) -- Joan R. Ginther of Bishop claimed her \$3,000,000 winning in Millions & Millions, a scratch-off game from the Texas Lottery.

She bought her ticket at the Times Market 2005 in Bishop, scratched it and discovered that she is to receive the second of the four top prizes offered in this game.

"This is the third time Ms Ginther wins millions with Texas lottery", lottery officials mentioned.

Apparently, during the draw held in July 1993 she won a share of an \$11,000,000 Lotto Texas jackpot already.

Then in 2006 she hit the top prize of \$2,000,000 in the Holiday Millionaire scratch-off game.

"We've searched our databases", Texas Lottery officials remarked, "and found no one else who has won two top prizes in excess of \$1 million, as well as a Lotto Texas jackpot."
