By Jason Laib, Managing Director, JD Mercantile, LLC

Dated: Aug 31, 2008

JD-Flag.com, a division of JD Mercantile, LLC has just launched a new website showcasing the best sports flags available.

With over 900 different products in stock we are able to supply our customers with a great variety of sports flags. We carry all MLB, and NFL teams, as well as products for 60 NCAA teams. Our most popular product is the Applique Flag which is commonly displayed on houses declaring team spirit.

One major advantage that we have over our competitors is our location in the United States. Based in the midwest, we are able to provide great time in transit for all of our shipments. By keeping our shipping rates low, \$6.99 on all orders regardless of quantity ordered, we strive to bring satisfaction to our customers.

"Order Today, Ships Tomorrow" is a statement we live by. We commit to keeping a good line of communication with our customers.

Please visit www.jd-flag.com for more information regarding our products. We look forward to serving you.
