ShaggyMac Introduces PenSol - Precision Synthetic Oiler Kit?
Micro-lubrication for the Tech Industry and beyond

Lancaster, Pennsylvania—September 3, 2008—ShaggyMac today announced the immediate availability of its new product PenSol - Precision Synthetic Oiler Kit. PenSol allows precise amounts of synthetic lubricant to be dispensed and is targeted for the tech industry, hobbyist, and mechanics. It is constructed from an aluminum body with a steel dispensing needle. It also features an internal reservoir that contains the synthetic oil lubricant. The name PenSol derives from its pen-like aesthetics. At just over 5 inches PenSol will easily slip into any pocket or toolbox.

Pricing & Availability ?PenSol is available as a kit, which includes a 2oz refill bottle of a high-quality multipurpose synthetic oil. The kit is priced at \$27.95 and is available exclusively through the ShaggyMac Online Store.
