

## **New Online Financial Planning Website Introduced by Projour.com**

*By Projour.com*

*Dated: Sep 06, 2008*

*Projour.com is a quality online professional journal with articles relevant to personal finance. Unlike other resources on the internet, Projour.com publishes material written by individuals possessing skill or experience in their field.*

Projour.com announces the launch of its financial planning website. Projour.com is a quality online professional journal with articles relevant to personal finance.

Unlike other resources on the internet, Projour.com publishes material written by business owners, professionals, consultants, educators and others possessing skill or experience in their field.

Visitors from all over the world can find articles of interest about:

- Financial Planning
- Investing
- Asset Management
- Retirement Planning
- Estate Planning

Projour.com seeks to publish material from authors who are passionate about their work and are committed to sharing their knowledge with others. Visitors will find interesting articles about all aspects of financial planning with solutions to many of their real life financial problems.

Projour.com is uniquely different from other sources of information. To increase the reliability and the integrity of the content, articles are written by identifiable, credible and expert authors. Material is peer reviewed where peers act as editors to correct or challenge any factual errors. Readers from around the globe can count on Projour.com as a reliable and trustworthy source of information.

Expert authors interested in sharing their knowledge with others should consider writing and publishing articles through Projour.com. Individuals interested in topics related to financial planning, investing, asset management, retirement and estate planning should visit Projour.com today.

Projour.com is a reliable source of information to help you manage your finances successfully and assist you in making smart financial decisions about your money!
