

Transmission Rebuilders Network International launches its international presence

By Steve Fuller, President TRNi

Dated: Sep 17, 2008

The transmission Rebuilders network International has recently launched its International Initiative. Working with MSEO TRNi has added Chinese, German and Spanish links to its site.

The transmission Rebuilders network International has recently launched its International Initiative. Working with MSEO TRNi has added Chinese, German and Spanish links to its site. Over the next 12 months TRNi will be indexed through the foreign versions of Google, Yahoo, Live Search and other major search engines. Take a tour at www.Trannybuilder.com.

The Transmission Rebuilders Network International is a network of over 1200 transmission professionals that are dedicated to helping advance the industry by sharing valuable diagnostic information. TRNi's fix database Transfix® contains over 5000 unique repairs.

For additional information regarding accessing this valuable source of data, contact Steve@trannybuilder.com or visit our site at www.trannybuilder.com

Transmission Rebuilder Network International is a worldwide organization with members in 41 + countries.

###

TRNi is a world-wide network transmission technicians, interacting on problems, fixes & diagnosis, hydraulics, functions, bench techniques, part locating & reviewing, assembly tips, and installation tips for the transmission repair industry.
