

## **Dryer Vent Wizard in St. Clair Shores, Michigan Named #1 for "Dryer Vent Cleaning" and Fire Safety**

*DVW receives an overwhelming amount of letters and emails, thanking service people for a job well done and for their advice on dryer vent maintenance and fire safety*

**Sept. 20, 2008** - [PRLog](#) -- St. Clair Shores, MI -- The U. S. Fire Administration reports over 15,000 dryer fires annually; most of these tragedies could be prevented with proper dryer vent cleaning and maintenance. About 80% of Americans have clothes dryers, yet most are unaware that annual dryer vent cleaning keeps their dryer running properly and prevents dryer fires. The service providers, at Dryer Vent Wizard of California, make sure their customers understand what needs to be done and how it will prevent a clothes dryer fire.

Mike Zalac, owner of DVW of South East Michigan, receives email, letters and phone calls from customers who just want to express their appreciation or refer a friend or loved one to have their dryer vent systems inspected. "The overwhelming consumer response has made us number one in dryer vent service in our area," says Mike. "I find this show of appreciation to be the most rewarding part of my job."

DVW urges consumers to visit their site for valuable information and a list of warning signs of dryer vent clogs. They also provide a free, downloadable video and brochure loaded with fire prevention tips and information. Most importantly, consumers can get free dryer vent safety tips and information by going to <http://www.dryerventwizard.com>

Dryer Vent Wizard, Dry Clothes Safe Homes is a member of the National Fire Protection Association and the largest chain of dryer vent cleaning, repair, replacement and alternation specialists in the U.S. with nearly 50 franchisees in major markets in the U.S. Mike services Macomb, Lapeer, Genesee, Saginaw, Midland, Isabella, Gladwin, Bay, and Arenac Counties in SE Michigan.
