2 Sweet Sisters congratulates Melissa Joan Hart on the birth of her second child.

Mount Pleasant, SC – As a mother of toddler twin girls, Carin Walling has some experience with having 2 small children. As owner of 2 Sweet Sisters, she wanted to congratulate the Hart-Wilkerson family on the birth of their second child Brady. She says that she wanted to send the gift to Melissa because, “She is a dedicate mother and wife, that women of all ages can look up to”. 2 Sweet Sisters created a unique and custom gift basket for Melissa Joan Hart and her two sons Mason and Brady. The gift was a big hit with the family.

Melissa Joan Hart is well known for her role as “Sabrina the Teenage Witch” and has also starred in hit films such as “Drive me Crazy” and “Can’t Hardly Wait”. She has since married, had two children, and recently finished filming her new film Nine Dead. She is currently working on a new project for ABC family.

Founded in early 2007, 2 Sweet Sisters is an online, luxury baby and children’s boutique. They offer designer bedding, luxury furnishings, unique shower gifts, diaper bags, and much more. This family owned and operated business has flourished in its first 18 months and looks to continue its current growth. Owner Carin Walling has been featured in Low Country Parent Magazine and on First Coast News, in the Jacksonville FL area. 2 Sweet Sisters has enjoyed creating the magnificent gift for the Hart-Wilkerson family and appreciates the companies who contributed.

Some the items in the basket included: Burp Clothes, frames and wall letters from New Arrivals Inc., Treasure Map and Nursery art from Oopsy Daisy, The Rodeo Drive Diaper Bag from Amy Michelle, Happy Bub and Smart Bub tees by bublove, and the popular “A time out is in my future” Tee from Punky Mae. Blankets were also provided by the Industrial Cottage, Ally Zabba, Luna Lullaby, and The Essential Bebe. Abbey Hill Creations has a nice contribution of Bling with a Goldfish Bike Bell, Blue and Chocolate Bling Pacifier and Clip, Embellished Hair Brush, Bling Wipes Case, and a Swarovski Crystal Pacifier Case.

Another Stand out contributor was Cute as Can Bee with a Highchair Cover, Shopping Cart Cover, and Burp Cloth Set. The retail value of the Basket was approximately \$2,100.00.

Melissa specially liked the Classic Cars Car Seat Cover by Babble Chic. Also the personalized teddy bear from The Cashmere Bunny and the personalized blankets from Ally Zabba were also a hit. Princess Linens also provide of Monogrammed Hamptons John Johns and a red and blue personalized Crayon Keeper that was well received. Melissa described the gifts as “They are great.
