Ran Andrews is a Canadian contemporary visual artist born in Stratford Ontario, July 14, 1956.

His bold, colorful expressionistic style has propelled his popular rise to the top tiers of internationally exhibiting painters. Since the new millennium Ran has concentrated exclusively on the production of fine art from his studio in St. John's Newfoundland. His original art works can be currently found in corporate, institutional and private collections in over 17 countries worldwide.

Mr. Andrews is well known at the premiere galleries and major exhibitions of contemporary art in Europe; such as the prestigious Annual Batik Show in Barcelona, the Bienalle's di Venezia & Firenze, The Camden and Saatchi Galleries in London, III Millennio and The 2008 Carnavale in Venice.

Stay tuned for soon to be announced 2009 dates of solo exhibitions of the entire racing art series in London, Montreal, Miami, Venice and Barcelona.

The Ran Racing Collection is a series of signed and numbered, Limited Edition of 88 Fine Art Prints with certificate of authenticity.

The original large paintings in oil are scanned at a very high resolution, color matched, digitized and printed utilizing state of the art printing. This sophisticated reproduction technology not only utilizes more colors than regular printing, but also offers an unparalleled vibrancy, detail and longevity. This is why this Piezo method, more commonly called 'Giclée' printing is widely regarded as the very best fine art printing method currently available and why it is embraced by artists, galleries and museums worldwide.

This dynamic series is available on 100% cotton acid free fine art papers and high quality cotton canvas to create a vibrant work of art that will give the racing enthusiast and their families, generations of pleasure.

“Creative artists are mankind's awakeners: through the language of metaphor we summon the outward mind to conscious contact with our inner selves as spirit. I believe that the function of the contemporary artist is to crystallize the popular mythology of the times in which we live and to celebrate the radiance of that being.” Ran Andrews
