

Seminar Designed to Improve Fitness And Function for Children With Special Needs

By Mona Piontkowski/SeminarInformation.com

Dated: Sep 23, 2008

Seminar for Nurses, Physical Therapists, Physical Therapist Assistants, Occupational Therapists, Certified Occupational Therapy Assistants, Special Education Teachers and Preschool Teachers added to SeminarInformation.com database of seminars.

"Improving Fitness and Function for Children with Special Needs" (<http://www.seminarinformation.com/qquuuf/improving-fitness-and-function-for-children-with-special>) has just been added to the growing list of seminars presented by Cross Country Education.

Attendees of this hands-on seminar learn practical methods and strategies to improve function, educate caregivers and promote lifelong habits of fitness. The program is functionally based, highly motivational. It offers an excellent opportunity for inclusion, and it can be adapted for all ability and age levels, including adults. Course participants will learn skills they can utilize immediately upon returning to their work setting.

Visit SeminarInformation.com (<http://www.seminarinformation.com/>) to read a complete outline of this course and over 360,000 others.

Cross Country Education is a national leader in high-quality educational products and services for the entire health care industry. Their seminars and training programs are designed to help health care providers achieve improved performance and results in all areas of clinical, financial and operational management. Their faculty of more than 150 instructors are the "best of the best" in their field of expertise and know how to provide programs that really make a difference to participants.

Since 1995, they have trained over 1,000,000 providers, managers, nurses, behavioral health professionals and other key personnel throughout the entire healthcare industry.

The SeminarInformation.com website is the most comprehensive listing of seminars and conferences on the Internet. Visitors to the website can find a seminar by date, location, title, sponsoring organization or keyword; read a complete outline of the course content and then enroll online or by phone at 877-SEM-INFO.

Besides Cross Country Education seminars presented by Skillpath, National Seminars, Fred Pryor, CareerTrack, Padgett Thompson, CompuMaster, the American Management Association, Linkage, Learning Tree International, NBI, Federal Publications, Lorman Education and Cornell University, to name just a few of the over 600 seminar sponsors, are listed on the user friendly website.

Seminar experts are available, toll free at 877-736-4636 to answer any questions, make recommendations or take registrations.
