

## Inspiretech Zune 30GB Car Charger

By inspiretech

Dated: Oct 07, 2008

*Inspiretech recently released their new car charger for the Zune 30GB*

Inspiretech, makers of high quality chargers and accessories for the Zune, iPod and iPhone, recently released their new car charger for the Zune 30GB. The Inspiretech Zune car charger features enhanced internal circuitry to manage the charging status and to prevent over and under charging. The Zune car charger from Inspiretech is also compatible with all Zune players. The Zune car charger has a built-in red LED light to notify you of your Zunes charging status and works with all standard power outlets in North America. Inspiretech covers all their products with a one year manufactures warranty and your satisfaction is guaranteed.

### About Inspiretech

Founded in 2005, inspiretech.com began by producing innovative products brought on by inspiration, such as the ingenious "rapid travel charger kit". Soon products expansion preceded, and continues to do so. Innovation by design is our motto and you will see that in our products. Now only two years later, we now offer, a large variety of products, blogs, web forums, Friendly customer support, and high resolution images. High Resolution images are so you know exactly what you are purchasing.

###
