

Internet Startup Updates Page Creator with SEO Features

By GoHoster

Dated: Oct 15, 2008

GoHoster.com today announced updates to it's online web creation tool

GoHoster now makes it easy to create web pages with your own keyword tags and page description tag to aid in the search engine optimization process.

"The community asked for this feature and we have delivered it." said Founder Brian Fowler ""After only one week of our launch we have seen a tremendous amount of interest in the service." continued Fowler

GoHoster is still in an early testing phase. If you're interested in taking it for a test drive, visit <http://www.gohoster.com> and create an account.
