Always striving for new ways to please their clients Baby 2B Nashville introduces a new style of diaper cake.

It's not often that you see new innovations in the diaper cake market. The Internet is bombarded with over 800,000 sites that sell diaper cakes. You will find the Keepsake Diaper Cake on only one. Baby 2B Nashville.

What is it you ask? It's a four tier diaper cake with a round box decorated as one of the layers. the box is designed for dual purposes: extra storage and a pretty reminder of the cake the new mom received. If you are truly looking for a unique baby gift this is it. The cake has over 100 pamper swaddlers and can be designed any way you like.

When asked about how the Keepsake Diaper Cake came about business owner Jacqueline Friesen had this to say, "Here at Baby 2B Nashville we are always striving to set ourselves apart from the mundane. The Keepsake Diaper Cake was born when a friend asked me to design a taller cake for her with quite a few goodies for the baby. Since we don't like to clutter up the outside of our cakes the box was a great solution. Hence the birth of the Keepsake Diaper Cake."

According to Ms. Friesen all cake designs can be re-sized to fit the Keepsake Diaper Cake and custom orders are always welcome. Check out the Keepsake Diaper Cake at Baby 2B Nashville today...<http://www.baby2bnashville.com/>
