Amanda Rowan -- in movies with Paris; taking photos of Elisha; playing music with Peter...

Introducing... AMANDA ROWAN.

Many of you have already seen Amanda in the National Lampoon film, "Pledge This", in which Amanda co-starred with one of her good friends, Paris Hilton.

You may have also seen her acting in a film she wrote and produced called, "She Pedals Fast for a Girl", which debuted this past summer at the Newport Beach Film Festival.

Or, you have probably seen some of the photos she has taken as celebrity photographer of such famous stars as Amy Smart, Sean Lennon, Elisha Cuthbert, and of course, Paris.

In fact, she is coming from to NY for actor headshot and portrait sessions from November 18th - 23rd, and if you mention my name, she'll give you a hugely reduced \$350 rate that includes 4 looks, hair and makeup, and a CD with all the edited photos. If you live in Los Angeles, even better: that's where she lives!

You can check out her photography site at AmandaRosePhoto.com, and you can read more about her (and see a hot photo of her with Paris Hilton!) at UnstoppableArtists.com/Amanda

P.S. -- her dad is a famous blue grass musician. See if you can figure out who he is!
