

Top Notch High Speed Lifts For Villamar Towers Bahrain

JALAL SCHINDLER LIFTS & ESCALATORS W.L.L has been awarded for design, supply, installation and maintenance of all high speed lifts and vertical transport equipment.

Oct. 30, 2008 - [PRLog](#) -- Villamar at Bahrain Financial Harbour:

Gulf Holding Company (GHC), a Kuwait-based real estate developer has finally started construction of \$650 million project Villamar, a residential development within the prestigious \$1.5 billion Bahrain Financial Harbour. Located on a site of over 32,000 square metres, Villamar incorporates three design elements - the Twisting Towers, the Floating Villas and the Terraced Podium.

Scheduled for completion in 2010, this residential development offers 494 apartments, 59 villas and six penthouses. Facilities include a rooftop chairman's club, health club and spa, swimming pools, tennis courts and other recreational amenities.

Al Hamad Construction and Development WLL is the contractor and KEO International as the lead project manager, construction manager and supervising engineer.

KEO International awarded the lifts contract to JALAL SCHINDLER LIFTS & ESCALATORS W.L.L.

Robert Scott, KEO's Project Director in Villamar stresses ".....only a reputable supplier like JALAL SCHINDLER LIFTS & ESCALATORS W.L.L. will be able to carry out this highly reputable and technically sophisticated job. This cooperation continues our mutual appreciation of our companies which is needed in today's construction business...."

JALAL SCHINDLER LIFTS & ESCALATORS W.L.L. agrees and "...thanks KEO International for the trust in our products and services.....and we are looking forward to continue our relationship for mutual benefit...."
