

## Upscale Baby & Children's Furniture Boutique Beats Credit Crunch By Expanding to Europe

*Punkin Patch is the trendiest new boutique for baby and children's interiors and furniture. After 10 successful years in America and a huge celebrity following they have finally launched an online boutique [www.punkinpatch.co.uk](http://www.punkinpatch.co.uk) over here in the UK.*

**Oct. 30, 2008 - [PRLog](#)** -- The thought behind [www.punkinpatch.co.uk](http://www.punkinpatch.co.uk) was to search the world to provide the ultimate in luxury high-end furniture, being and accessories for infants and children and introduce them to the UK market,. Their vast collection of unique and stylish pieces, include cribs, changing tables, beds, wardrobes and full room sets as well as bedding, lighting and fine décor. Much of the merchandise are handmade or finished by hand. They also stock a wide range of unique baby gifts such as hand knitted toys from Africa and rocking rams and sheep made in a small welsh village. Many of the items are exclusive to Punkin Patch and not sold anywhere else in the UK.

Punkin Patch aim to bring a more personal touch with their design services, they are always happy to offer suggestions and to make your shopping experience completely enjoyable and worry-free. Whether you are decorating an entire room or seeking one special piece Punkin Patch can help you create your dream nursery or bedroom with hand picked items reflecting the personal style of both the parents and little ones. They have already helped style the homes of celebrities such as Halle Berry, Brad and Angelina, Jamie Lynn Spears, Tom Cruise and Katie Holmes and J Lo.

So to bring a elegance and a touch of star quality to a child's bedroom there is only one place to go.

You can view the entire collection at [www.punkinpatch.co.uk](http://www.punkinpatch.co.uk)
