

## New Women Clothing Web Site Launch

Source: Daemon Entity Co.

Dated: Oct 31, 2008

Hong Kong Nov 1 2008 – A new web site has been launched by C & M Fashion shop. The web site is designed to sell women fashion clothes (blouses, pant, skirts..etc) in retail way and wholesales by Maro Soper who is a experienced merchandiser.

Maro said that the site has been launched to offer truly discount and low price women clothings especially skirts and dress.

C & M Fashion is famous for latest fashion and future woman clothing trend such as Jewel Colored Dress and Frill Blouse . The new website "bucks the trend", being interactive, user-friendly and secured by Paypal. It gives customers detailed information, close-up photographs of all its quality products, including glazing and a unique visualiser that allows customers to see the products in place on different types of occasions.

“We can provide 360 degree of picture of each style, which other clothing web sites may not able to do.” says Maro Soper. “We are a successful, growing and strongly reliable company with on time and quick shipment.”

To celebrate the new web site launch, C & M Fashion will pack along with a brand new sun-glasses for all first buy online.

Maro Soper added: "We are in a competitive market. Customers rightly expect a good deal and a professional service. At C & M Fashion we know that our products are not only the very best available but also that we listen to our customers. As a result, we will continue to refine our products and services to meet their needs now and in the future."

This new web service is slated to launch in November 2008. However they are allowing business owners and service providers to register for the launch alert.
