SkillPath has grown from holding just 82 seminars in 1989 to conducting more than 12,000 seminars each year. This growth was recognized in 1994, as SkillPath was placed number 32 on Inc. Magazine's annual listing of the 500 fastest-growing privately held companies in America.

In 1995, SkillPath joined forces with Graceland College, a nationally recognized, private, undergraduate institution. For both SkillPath and Graceland, this partnership makes possible a long-sought objective: the potential for many to experience the joy and benefits obtained through lifelong learning and professional development.
