

Internet Entrepreneur Awarded for Exceptional Growth in Legitimate Home Business Opportunity

By ItsGoodBusiness.net

Dated: Oct 31, 2008

Successful Internet Entrepreneur will be awarded for excellence. ItsGoodBusiness.net has shown exceptional growth in both customer retail sales and new business owners in spite of a failing economy.

Boston, Mass.

Tom Prendergast, successful Internet Entrepreneur will be awarded for his excellence in the health and wellness industry. The man behind Veretek and ItsGoodBusiness.net has shown exceptional growth in both customer retail sales and mentorship of new business owners in spite of a failing economy. Trivita will be awarding Mr. Prendergast for his leadership skills and business savvy at their celebratory event "Galaxy of Stars" where the festivities will take place in Arizona this weekend.

Mr Prendergast is well known for his philanthropic approach to business on the Internet. His hands on mentoring is well known by those who choose to do business with him. Mr. Prendergast's motto of no one is alone and empowering the individual to succeed has created an atmosphere for the Internet Entrepreneur to succeed in developing a legitimate home business online. With the economy and financial institutions around the globe in a state of flux and losing ground, many are turning to the Internet in hopes of supplementing or even replacing income for themselves and their family.

ItsGoodbusiness.net is now a proven legitimate home business option for the Internet Entrepreneur with their buy customers approach. This eliminates the need for mass recruiting, over saturation of the market place, and attrition that always seems to happen in typical MLM opportunities ItsGoodBusiness.net established their presence and growth development in just 6 short months, record breaking growth for a business owner in this market. ItsGoodBusiness.net's unique ability to work in a team setting providing education and training to those who choose to do business with Mr. Prendergast and his marketing group enable them to achieve success. .

Trivita's cooperative business model along with ItsGoodBusiness.net's pure entrepreneurial spirit, ethics and principals have created a recession proof business for the Internet Entrepreneur and help them discover financial freedom with this legitimate home business marketing group.
