

On CNN's Lou Dobbs Ted Turner intimated derogatory remarks in regards to today's Corporate Heads

By The Democratic Republican National Headquarters

Dated: Nov 11, 2008

Ted Turner former Multiple Television Network Owner was on Lou Dobbs

?This is a program with a true patriotic American that manifests the decisions of rich causing the middle classes being brought to being poor in multiple ways over the CNN Network. He had many interesting things to say and was said of him as well. Lou said of Ted Turner, on because he wrote a book, you prevailed over the management that ousted Ted Turner from Time Warner, obviously admitting to a hostel takeover of most of the television networks. Turner Intimated that today's business people, corporate heads, have no integrity and are dishonest and immoral.

###

Thomas Jefferson once wrote of two political parties being gobbled up into one party or joining together while having different names.He said at the time It was not so however in the day we live it is.What if Barak and John were funded by the same people.
