*Venue Creative President, Guy Lepage, to speak at BCIT Leaders Forum November 17, 2008.*

Guy Lepage, Venue Creative's President/Creative Director, was asked to speak in front of a group of 27 marketing students, discussing conflict, politics, and power in the workplace as well as topics based on the advertising industry.

"It is an honour to be asked to speak to the BCIT marketing students. They are the fresh young minds of tomorrow's advertising world. With events like the Leaders Forum on November 17, it's no wonder why BCIT remains one of the easiest routes to break into the advertising & marketing industry. The real world training, events, meetings and guest speaking add a great deal of value to one's education allowing them to transition from school to job placement easier than most other schools", says Guy Lepage, Venue Creative President/Creative Director.

The Leaders Forum will be held at BCIT on November 17, 2008 at 3:30pm.
