Timberline Resort Realty has announced that for a limited time guests can enjoy up to a 20% discount on select professionally managed vacation rentals this Thanksgiving. Offering rustic to luxurious vacation rentals and real estate sales in the heart of Canaan Valley – West Virginia’s ‘Swiss Alps’, Timberline Resort Realty is a member of the National Association of Realtors. The Canaan Valley is a popular vacation destination that offers many activities sure to satisfy every family member.

The Canaan Valley and the high mountains will welcome you for a delightful West Virginia Thanksgiving Celebration. Vacation Rentals from Timberline Resort Realty will allow you the option of choosing how you want to celebrate the upcoming Thanksgiving Holiday.

Cook your own turkey or ham and dine with family and friends in a delightful vacation mountain home or chalet. Another option for Thanksgiving Dinner is to dine in the nearby Canaan Valley Resort for a memorable Thanksgiving Feast that includes: turkey; ham; roast top sirloin; salmon shrimp and pasta with multiple starters, soups, and vegetables prepared by Chef Odeh of Frankfurt, Germany. Chef Odeh was the youngest Sous Chef in the history of the Plaza Hotel in New York City.

Enjoy a rustic wood fire, walk through the open fields, wooded areas and beside the lakes and mountain streams, smell the aroma of fall and holiday cooking, view the Wild Turkeys, White Tail Deer, and all the wildlife at play this Thanksgiving in the Canaan Valley. You may even be greeted by one of our early winter snowfalls. The area enjoyed a 12 inch snowfall this October 28-30th on the 3,700 foot summit of Canaan Mountain, with 9 inches of snow settling in the Valley proper.

There are FANTASTIC recreational activities available throughout the area. Canaan Valley Resort & State Park, Timberline Four Seasons area ski mountain, Blackwater Falls State Park, American Mountain Theatre, horseback riding stables, Blackwater Outdoor Center river trips, Mountain Biking, shops as well as all other area vacation oriented businesses give vacations a myriad of choices daily. Gift and Antique shops are in every little town and burg in the valley. Timberline Resort Stables and the Mountain Trail Rides horseback riding continue through our early winter season.

“Thanksgiving is our last big event before ski season hits and we are glad to offer select properties to vacationers this holiday at a discount. In today’s economic climate, vacationers from all over the east coast are taking advantage of our great location and competitive prices. Being less than one tank of gas away from so many major metropolitan areas means that accommodations are going quickly but there are still many great vacation homes available for the holiday. We invite those interested in either a Thanksgiving get-a-way or ski vacation this winter to visit the Timberline Resort Realty website ([www.TimberlineRealty.com](http://www.TimberlineRealty.com)) or call our vacation rentals experts at 800-633-6682 for more information - Timberline Resort Realty has the vacation rental to suite your needs and budget,” stated Pat J. Herlan, Broker.

All nature’s signs are pointing to a great snowy ski season this year. Downhill and Cross-Country Skiing as well as Snowboarding and Snowshoeing are expected to be great this year - both ski areas in the Canaan

Valley are busy in preparation for the upcoming ski season. The Ski slopes open the first part of December. Timberline Four Seasons Resort has a tentative opening Ski Mountain date of December 4th.

A Canaan Valley vacation is easily accessible by car being within a one tank of gas from much of the Eastern United States. Timberline Resort Realty and The Canaan Valley are less than 350 miles from Baltimore, MD; Cleveland, OH; Philadelphia, PA; Raleigh, NC; Pittsburgh, PA and Washington DC. Just a little further away but still convenient to wonderful Canaan Valley weather and activities are Myrtle Beach, SC, New York City, Richmond, VA and Charlotte, NC.
