EVEN though winter is upon us it doesn't mean things stand still in the motorcycling world and Westhill Insurance is looking forward to the NEC Motorcycle show at Birmingham.

The event is jam packed with new bikes, racing stars and biking celebrities. With 11 manufacturers launching new bikes or refreshed models there will be plenty of new metal to keep you interested. BMW will reveal its much talked about S1000RR Superbike which will race in the World Superbike Championship in 2009.

Stars from MotoGP, World Superbike and British Superbike will also be attending. James Toseland and his band Crash will be playing on Saturday 29th November and again on Saturday 6th December and Sunday the 7th December, Scott Redding, Bradley Smith and Marco Melandri will also be there.

If pure road racing is your passion then come along on Saturday 6th December when all the TT racers will be there including 14 times TT winner and lap record holder John McGuinness.

The show will run from the 28th November to the 7th December with the halls opening at 1000 through to 1800. No matter which new bike catches your attention Westhill Insurance is perfectly placed to provide a low priced but comprehensive motorcycle insurance policy tailored to your needs.
