Dated: Nov 18, 2008

Christopher Knight Capone today announces the official launch of his blog, "ChrisCapone.com" The blog examines news, pop-culture and expresses opinions about the world from Chris' unique point of view and is frequently updated throughout the day.

New York, NY -- Chris Knight Capone, author and grandson of the infamous Al Capone, is exactly who you think he is ... and like nothing you've ever seen before. Early this year Chris Knight Capone published a memoir titled: Son of Scarface. Capone's memoir shook up the publishing world by giving a frank and brutal look at the lives behind the headlines, told from a unique and startling point of view. Now, Capone's blog urges you to look even deeper into a story that everyone knows but few understand, as the veil of secrecy is unraveled and the hidden demons of a shadowy world come to light. Join Capone on his personal journey as he struggles to overcome the traumas of his childhood, and urges his readers to find the courage to do the same.
