By Dynasty Limousine Inc.

Dated: Nov 25, 2008

Dynasty Limousine announces results from operations. October 2008 saw revenues surpassing our best month ever. Company named a finalist for LCT Magazine's Limousine Operator of the Year.

Dynasty Limousine is proud to announce that the Company has been named one of three finalists for LCT Magazine's Operator of the Year award. This award is reserved for the very best in the industry that display excellence in service, efficiency, safety and marketing. There are approximately 8,400 Limousine companies Nationwide, and the winner will be announced at the International Limousine Convention on January 27th, at the Venetian Resort in Las Vegas. Being named a finalist for this award is a major milestone for the company.

"The LCT award is the highest honor we could expect as a Limousine Company", stated Pierce Fleming (V.P. Operations). "We have a couple of very strong competitors that are also finalists, and we all have worked very hard to reach this point." "Our affiliate work will most likely increase due to the visibility surrounding this nomination and the timing couldn't be any better." Dynasty Limousine will be featured in the February issue of LCT magazine. The company is also in the process of registering its securities with the appropriate agencies to become the Nation's first publicly held Limousine service. We expect our initial quotation in the latter part of 2009.

October saw our best revenue and profit month in the Company's 10 year history. In the midst of government bailouts and downsizing, Dynasty continues to see increased growth. Highlights include:

- *October 2008 up +41% over October 2007
- *Net profit up +38% over October 2007
- *October 2008 revenues +7% over best month ever
- *Year to date up +34%

Dynasty has also acquired several high profile corporate clients over the last few months. The company's good reputation has resulted in greater confidence and increased interest. The Holiday season, Proms, and Super Bowl 43 in Tampa are all in the immediate future and should contribute greatly to the growth of Dynasty Limousine. We have already exceeded our best year ever, and with two months left our 2008 performance will be exceptional.
