

The next best thing in polished concrete floors: HTC Superfloor™

By Concrete Artisans

Dated: Dec 03, 2008

Concrete Artisans introduces the revolutionary HTC Superfloor™ concept for pre-existing concrete floors. Revitalize your concrete floor in the most cost-effective and aesthetical way!

Concrete Artisans introduces the revolutionary HTC Superfloor™ concept for pre-existing concrete floors. Revitalize your concrete floor in the most cost-effective and aesthetical way!

But what makes HTC Superfloor™ so good?

Only accredited HTC Superfloor™ Contractors can achieve this refined concrete floor by grinding and polishing the floor with HTC's effective machines and diamond tools. The result: incredible visual appealing that contributes to a better working environment. Also, HTC Superfloor™ is advantageous in an economical point of view thanks to the durability and the low life cycle cost making it the ideal floor for a wide range of industries and public buildings.

HTC Superfloor™ it's brilliant!

###
