

## **Benefit to Help Rescue Organizations Care for Bay Area Pets**

*By The Woof Pack*

*Dated: Dec 05, 2008*

*Fremont, CA, USA December 5, 2008 -- The Woof Pack has put together its 1st Annual Wish List for Pets Benefit to help the non-profit organizations Furry Friends Rescue and the Ohlone Humane Society to rescue and care for animals in need.*

The Woof Pack has put together its 1st Annual Wish List for Pets Benefit to help the non-profit organizations Furry Friends Rescue and the Ohlone Humane Society to rescue, provide care, and to adopt out these animals to a good home. Items such as 6 ft. dog leashes and collars, metal dog bowls, dog shampoo, dog beds, dog toys, chews, and treats, dry and canned dog and cat food, and cat traps can be dropped off at Bogie's Discount Pet and Feed in Fremont, Mike's Feed and Pet in San Leandro, and All About Pets Animal Care hospital in Union City.

The owner of The Woof Pack, Richard Delgado states, "We take care of pets every day in our business, and we truly love the pets we take care of. But, we also really care about helping animals in need, and this is a way to help out and to show our support for our community and the great work FFR and OHS do. Every holiday season there are many dogs and cats that need our help. Many more animals are being abandoned due to the economy."

The purpose of this benefit is to provide pet supplies for FFR and OHS to aid them in their daily rescue and care of animals in the Bay Area. Anyone who wants to contribute should drop off these items at the designated drop-off points in the East Bay. They should visit The Woof Pack at <http://www.thewoofpack.com> or (510) 797-9663 for the item wish list, or contact the drop off points for more information. The benefit has been running since November 25 and will continue until December 22. All items will be tallied and turned over to each organization.

### About The Woof Pack:

Richard Delgado formed The Woof Pack in 2005 and provides dog walking and pet sitting service in select East Bay cities. He has over 20 years experience caring for animals and is a Pet First Aid/CPR instructor.
