*ReturnMoiPets' pet ID tag system is featured as new product on PetGadgets.com*

Quebec, Canada – ReturnMoiPets' revolutionary pet ID tag system dedicated to bringing pets home has been selected as a unique and innovative pet product offered through PetGadgets.com.

PetGadgets.com features unique pet products that fit owners' lifestyle, and make the owner and pets' life more enjoyable.

“PetGadgets is a perfect venue for pet owners to learn about their own ReturnMoiPets pet ID tag,” said Suhail Niazi, CEO and Founder of ReturnMoiPets, a division of the global recovery service firm ReturnMoi, Inc. “Our pet ID tags are designed to help make life enjoyable for the owner through peace of mind that their pet is safe 24 hours a day. Owners know that if their pet is lost or stolen, with a ReturnMoiPet ID tag, the pet has a 90 percent chance of returning home safely within the first 72 hours.”

ReturnMoiPets is dedicated to the wellness and safety of pets, and helps reunite lost pets with their families quickly, safely and in a confidential way. ReturnMoiPet tags are:

- Safe and confidential with no personal information on the tags
- Highly visible and easy to read
- Durable and comes with a lifetime guarantee
- Simple and easy to purchase and then activated online
- Worldwide coverage with 24/7 toll free number and more.

Finders are motivated to call ReturnMoi when they find a lost pet and receive a reward from ReturnMoiPets, and most of the time also from the owner. It's easy for finders to call 24/7 and does not require a trip to the vet or shelter to find a microchip scanner.

ReturnMoiPets' revolutionary pet ID tag and recovery system is available for resell through pet stores, veterinarian clinics, grooming shops, kennels and local shelters.
