The development team of fashion week would also like to incorporate the intricate stylings of Goth, Rock, and Punk designers also.

We believe that various stylings of fashion is a main component or key to any successful runway events, especially this event, once can never have too many GREAT designers, and in my eyes they all are great no matter w genre of fashion they are devoted to, stated Antoine Brown, Executive Vice President.

Designer forms are being accepted for the 2009 production of fashion week which has been appropriately name, "Once Upon A FASHIONable Dream – A FASHIONistas Fairytale."

Once again, I would like to SCREAM all designers have a place on our runway, Nixon said as she smiled.
