Pop singer Mandy Moore found dead in Los Angeles

Dec. 13, 2008 - [PRLog](#) -- 90's pop singer Mandy Moore has been found dead in her Los Angeles Apartment late Friday night from an apparent gunshot to the head. Though it cannot be made official, it is allegedly a suicide. Moore had recently released a new single, a heartbreaking ballad entitled "Gardenia" off her Wild Hope album. Moore has a history of depression which she has spoken out about. Moore is known for her hit singles "Candy", "I Wanna Be With You", and "Cry". Moore's depression has stemmed from her inability to catch up with fellow pop singers Britney Spears and Jessica Simpson. Moore's single "Gardenia" was almost nominated from a Grammy.
