Record Cell Phone Conversations with Call Recorder Card Now at Spy Tools Directory

Need a great way to record cell phone conversations without any extra equipment to attach to your phone? The Call Recorder Card service is now available through online spy gadget resource the Spy Tools Directory (<http://www.spy-tools-directory.com/surveillance-equipment/callrecordercard.html>).

"The Call Recorder Card service is the original equipment-free cell phone recording service," said a spokesperson for the Directory. "Using the card, you can record all incoming and outgoing conversations on your cell phone, then download the recordings and store them as an MP3 on your computer, or dial in and listen to them like a voicemail service from your own phone. It's the most convenient, easiest way we've seen to record cell phone conversations."

In addition to the Call Recorder Card service, the Spy Tools Directory also features a wide range of spy software, spy gadgets, and discount surveillance equipment.

About Spy Tools Directory

Spy Tools Directory was launched in 2003 to serve as the authoritative resource on topics related to the field of Private Investigations. With hundreds of listings featuring such products as spy software, spy cameras, Net Detective, spy gadgets, and private investigator agency resources, the site has quickly become one of the largest and most respected industry-specific directories on the Web. The site currently offers free website listings to private investigators, spy software vendors, and surveillance equipment manufacturers world-wide.
