*Bradford Allen Stevenson, of Albuquerque, New Mexico, has been selected to be included in a biographical directory published by Marquis Who's Who of the World®*

Bradford Allen Stevenson, of Albuquerque, New Mexico, has been selected to be included in a biographical directory published by Marquis Who's Who of the World®, the leading biographical reference publisher of the highest achievers and contributors from across the country and around the world. Stevenson will be profiled in the 2009 edition of Who's Who in The World, which will be available in January 2009.

Since 1899, when A.N. Marquis printed the First Edition of Who's Who in America®, Marquis Who's Who has chronicled the lives of the most accomplished individuals and innovators from every significant field of endeavor – including politics, business, medicine, law, education, art, religion and entertainment. Today, Who's Who in America® remains an essential biographical source for thousands of researchers, journalists, librarians and executive search firms around the world. Inclusion in Marquis Who's Who is one of the most protégés honors that an individual can be awarded.

With a very rich background covering the scope of ex-Special Forces "Green Beret" to that of a Successful Businessman through entrepreneurial pursuits, Stevenson has brought all of this experience to the position of COO with Trans-World Dynamics, LLC.

Since this initial success, Stevenson's understanding of sound business practices has produced entrepreneurial success in a variety of fields. Over the past 15 years, Stevenson has been highly sought after as a trainer and professional speaker in disciplines including employee development, organizational development, ethical standards, and performance management through principled based management.

With degrees in both Criminal Justice and his Masters in Business Administration, Brad Stevenson has transformed his years of expertise and research into a powerful performance model with the co-development of Trans-World Dynamics's THANKs Program.
