Mars Venus Coaching recently announced that Pam and Scott Lippitt have joined the Coaching family

Mars Venus Coaching recently announced that Pam and Scott Lippitt have joined the Coaching family as Master Franchisees of Colorado and certified Mars Venus success coaches. The Lippitts have been married for 18 years and have two sons.

Scott is a highly experienced executive and consultant with more than 25 years of hands-on marketing, advertising, public relations and management experience. After completing his undergraduate degree at Duke University, Scott went on to Columbia University's Graduate School of Business where he received his Masters in Business Administration (MBA).

Scott cut his teeth in marketing and management at one of the largest advertising agencies, and one of the best training organizations in the world (Ogilvy), where he worked on such high visibility national accounts, such as Hershey's, Hallmark, Hardee's and Duracell. From there Scott enjoyed senior-level, advertising agency positions (leading the strategic positioning and advertising programs for Progressive Insurance, Arby's, Stroh's Brewing and others) and senior corporate management positions at American Cyanamid, Black & Decker and Quiznos.

Scott now coaches business owners, CEOs and executives on growing their business, making more money in less time, and gaining the balanced life they deserve.
