

Insuremetoo Launches New Online Insurance Portal

By Rick Jaitley

Dated: Dec 31, 2008

Insuremetoo, a popular Canadian insurance broker a proudly presents its new website at the service of its clients and potential customer. The user friendly website will make shopping for insurance hassle free.

Ontario, Canada. : Canadian insurance broker Myinsurancebroker has launched a new online insurance site, www.insuremetoo.com which is set to cater specifically to the insurance needs of Canadians.

The website launched in September, has been a success among the Canadian populace. The arena of insurance policies, what this company covers is diverse, as they range from basic personal home insurance and auto insurance to business, financial services and personal together with group insurance policies.

Business insurance deals with a number of subjects such as real estate, retail and wholesale, franchises, professional offices etc. Insurance of financial services like employee benefits, financial planning, mortgage life insurance benefits and others are also provided by the company. The Insuremetoo portal provides you with an amicable solution with the perfectly customized insurance products at a comfortably priced budget.

Personal insurance such as home insurance, RV insurance , dental insurance or travel insurance plans are all available in the portal. Insurance brokers at Insuremetoo research and locate the best insurance deals available in the national arena and present it to their clients. The experts at Insuremetoo offer competent professional advice, risk management strategies and help to make decision for buying these coverages.
