

BatteriesInAFlash.com, Inc Recycling Program makes local headlines

By Avel Ureno

Dated: Jan 01, 2009

BatteriesInAFlash.com, Inc. receives front page reviews regarding it Battery Recycling Program in the North Las Vegas community.

BatteriesInAFlash.com is a local battery shop in the Greater Las Vegas community; however, they are a leader in online sales for batteries and chargers at <http://www.batteriesinaflash.com> and on ebay <http://stores.ebay.com/BatteriesinaFlash-com-Inc>.

Tuesday BatteriesInAFlash.com received its first front page story in a local Las Vegas Newspaper. A special feat for any small business owner. The economy has no regrets when it topples another business, large corporation nor small business are safe in the avalanche of this economic down fall. However; BatteriesInAFlash has proven to stay strong. The article helps substantial its role in the community and its growth. BatteriesInAFlash has taken great measures to become involved in its community to raise awareness and the importance of recycling hazardous materials found in everyday devices and batteries within them.

You can view the article at <http://www.viewnews.com/2008/VIEW-Dec-30-Tue-2008/North/25973611.html> for an incite on BatteriesInAFlash commitment to recycling. The recycling program is made possible by Rechargeable Battery Recycling Corporation (RBRC). A customer is able to Call2Recycle by dialing 1-800-8-BATTERY and find there local participating recycling center to drop of there old batteries which will keep them out of our landfills.
