Our dreams have come true! After many years of planning and designing our unique handcrafted jewelry we are now able to bring our most intricate designs to you, our valued wholesale jewelry customers. For years we have had many innovative ideas but we did not have the right tools to make these unique handmade earrings and handcrafted bracelets a reality. Finally we have found the hard searched for tool that will revolutionize our handmade jewelry. Our planning and designing have not been in vain, with this new tool we now have the capability to make the most intricate and exquisite handcrafted jewelry.

In the next months we will be introducing many new lines of handmade jewelry including handmade earrings, unique bracelets, handcrafted necklaces, handmade rings and many more unique items. We will be updating our website, www.copperreflections.com frequently in the coming months. Please visit often to see all our new styles and designs of our handcrafted jewelry;
