Jan. 2, 2009 - [PRLog](#) -- Sacramento, CA – Nurturing Beauty announces the launch of it's new retail/wholesale website and skin care blog. Both sites feature natural and organic skin care products, information and tips.

Among the skin care collection are:

- **Luxurious Body Care:** Everything thing you need for pampering from your head to your tootsies! We have body butters to soften, body soufflés to moisturize and sugar scrubs to exfoliate.
- **Just for Men:** A line created just for men. A unique blend of fragrances of smoked patchouli and sensuous sandalwood for the masculine touch.
- **Spa Essentials:** A natural bounty of healing herbs and beautifying remedies united in one of our most exquisite lines. Blended essential oils of Lavender, Lemon, Mandarin, Rosewood and Orange help create your at home spa experience.

About The Products

Nurturing Beauty has created natural products that heal, sooth, and regenerate the body. Organic Shea, Avocado, Mango and Cocoa Butters are the soul of Nurturing Beauty's Body Sugar Scrubs, Body Soufflés, Body Butters, Hair Butters, Hair Oil, Handmade Soap, Body Wash, Natural Healing Balm and Creamy Cocoa Butter. The products were engineered to heal problem skin and skin ailments. The moisturizing agents will help create beautiful skin for the entire family. They take enormous pride in the quality of their products, and are sure Nurturing Beauty will become an essential part of your bath and beauty routine.

"I am so delighted to have met Sheya, President of Nurturing Beauty. Her products are so awesome, just what I needed. My favorite is the Body and Hair Oil. My hair look so good. Instantly! The cocoa butter body butter and lemondrop souffle are superb!
