

Michigan Thanks Assistive Technology Services for their Medical Alert System

By Assistive Technology Services

Dated: Jan 03, 2009

Assistive Technology Services was recently recognized by Michigan residents for their Medical Alert System.

Citizens that have purchased Medical Alert Systems in Michigan recently recognized and thanked Assistive Technology Services for providing a "Best Buy" Medical Alert System with no monthly fee.

"We are proud to be one of the top providers of No Monthly Fee Medical Alert Systems in Michigan" says Founder Ron Arnold.

Assistive Technology Services provides Medical Alert Systems with wireless pendants, watches and panic buttons. They also have systems with fully functional telephones with talking caller id, 2 way speakerphones and a Social Safety Monitor.
