By Tsiyon Messianic Radio

Dated: Jan 05, 2009

Starting today, Tsiyon Messianic Radio will be broadcasting its one hour Messianic radio program, On the Road to Tsiyon with Eliyahu ben David and Dawn in Las Vegas. The program can be heard M-F on the Christian Talk station, KKVV 1060 AM.

What is a Messianic radio program and why is it on a Christian station? The program host, Eliyahu ben David, explains; "The term Messianic emphasizes the Messiah of Israel. Christians call Him Jesus Christ. Messianics call Him by His Hebrew name, Y'shua Messiah. Our Messianic message puts the focus on the real Messiah, a Jew from the Land of Israel. Historically, Christianity Hellenized "Jesus" which largely separated Him from His Jewishness, remaking Him in the Greco-Roman image of the Roman world in which Christianity took hold. Today, many Christians are becoming aware of these facts and are now returning to the Hebrew roots of the faith. Our program helps Christians to find their Hebrew Messiah once again."

Tsiyon Messianic Radio is now in its fourth year of broadcasting and is presently heard in over 65 countries around the globe. Why expand into the Las Vegas radio market? "Las Vegas is an international city with visitors from everywhere" ben David said. He added; "I'm not just speaking about the gambling either. Vegas is a world class host of conventions and meetings of all sorts. We expect to expand our international audience through broadcasting in Vegas. Besides, a lot of everyday people live in Las Vegas who will also find our message to be fresh, interesting, and exciting."
