CrossDresser.com, the Cross Dressing Superstore, presents photos of sexy men who not only make great girls, they make wonderful boyfriends and husbands!

Philadelphia, PA - Sound familiar, ladies? The weekend has arrived, and for you, it means nothing more than watching your boyfriend or husband as he watches more football. Or basketball. Or perhaps a violent action movie. It's like you've lost him to his television and his treasured remote. And, if you want to do anything that you enjoy – from clothes shopping to enjoying a romantic movie – you'll have to do it with your girlfriends. But what if you want male companionship? Aren't there any men who enjoy what you enjoy?

Suddenly Fem (www.CrossDresser.com), the leading global crossdressing superstore, believes that some of the best male companions aren't manly men or macho types. The truth is, crossdressers, cds, tvs, and transvestites make great boyfriends and husbands! Think about it, when was the last time your man wanted to go to the shopping mall with you and help you pick out clothes? When was the last time he wanted to go see a chick flick?

Of course, the existing stereotype is that cross dressers and transsexuals are not heterosexual. But nothing could be further from the truth. The majority of cds are straight. But they are drawn to many feminine interests. Interests that you probably share: Clothes shopping, accessory shopping, shoe shopping, fine dining, gourmet dinners, the arts, concerts, museums, galleries, antiques, romantic movies, romantic weekends, romantic travel, and other romantic getaways. Cross dressers can be the perfect girlfriend and boyfriend all in one!

Your cross dresser or transvestite boyfriend or hubby will not only shop with you, he'll also be knowledgeable about style, fashion, fit, and sizing, as well as lingerie, eveningwear, formal wear, party dresses, casual wear, club wear, shoes, boots, hosiery, jewelry, accessories, and make-up. And he won't squirm or fidget while you're trying on clothes! He'll actually enjoy the whole process.

Of course, you'll also be able to help him with his shopping. Help him pick out crossdresser lingerie, sophisticated transvestite clothing, dresses, sexy heels and stylish footwear, breast forms, wigs, bras, and even costumes! If you loved playing dress-up as a girl, you'll soon find that transgender shopping can be so much fun!

You might also find your cd boyfriend to be more sensitive and caring in general, more attentive to your needs, and a much better listener than your past partners have been.

Suddenly Fem is much more than a crossdressing store. Its online community site, www.crossdresserphotoblog.com, is a hub site for the cds, tvs, crossdresser admirers, tranny admirers, and anyone else who appreciates sophisticated, glamorous, feminine style. Check out the photos and blogs. Check out the styles. You wouldn't be the first woman to steal cutting-edge style from tranny culture. Top fashion designers do it all the time!

Why spend another weekend watching tv, when you could be with a tv? A caring, sensitive man whose interests and passions are more aligned with yours. To learn more about crossdressing shopping, crossdresser photos, crossdresser blogs, or even meeting a crossdresser, just log on to
