United States of America (Press Release)

The Technology Resources Group LLC of Charlotte, North Carolina selects Jay Antonic's UNTHINKIT.COM for it's new website launch promoting venture capital resources to young technology companies. Specializing in CARVER MATRIX methodology, The Technology Resources Group(TTRG) excels at business feasibility synthesis and efficacy ratings for young businesses looking to establish a growth model from a point of monetization. TTRG, isolates technology-minded businesses and invests in successful technologies that enhance the value of processes, relationships, and data over the internet.

TTRG chose Jay Antonic and UNTHINKIT.COM for its experience in growing startup companies through branding, and strong graphic messaging as a strategic development partner for the launch of the new TTRG website: <http://www.thetechnologyresourcesgroup.com>
