Bill Soriano, Internet Marketing Coach reviews Infinity 800 and its 2x2 "follow me" Matrix

Pittsburgh PA.

Review by Bill Soriano: <http://www.siteproweb.com/infinity>

What If.....

All marketers came together. . .

~And worked 1 program?

~And it was a fast moving 2x2?

~And you could cycle daily earning \$540 each and every time?

~And the strongest marketers got to be in FIRST to do the "soft launch"?

~And it was only \$200 one time?

~And the admin fee was only \$60?

~And it featured products that you really want and can actually use?

~And the timing was perfect...just after the holidays?

2009 is here and something great is happening!

Three top marketers coming together

to bring you a new cyler that will give you just what you want...and need!

Money in your pocket NOW!

But before you join Infinity800 consider this...

It is an incredibly powerful system that is churning out \$540 payments like clockwork for many people every single day. The basics to it is it's \$260 to join, broken down to a \$200 join fee plus a \$60 admin fee.

The compensation plan is a 2X2 matrix so that you have to build a team of 6 before you cycle and make an \$800 payout. In theory its called a 2X2 because you find just 2 people who each then just find 2 people and you cycle and make \$800 minus \$260 to repurchase an automatic position again for yourself for re-entry in the matrix leaving you a net profit of \$540.

Not bad for a \$260 investment upfront and the fact that you can cycle daily or even some members on our team have cycled 2-3 times in one day....

But...and there always is a but....right....

The problem for most people is they don't like to, or hate trying to recruit people...you probably are one of those people.

When we created the Infinity800 Club we knew that, so we decided to do exactly that, team build, and

rather than just have a bunch of people signup under us we decided to stack members to help everyone cycle faster and get into profit extremely quick. Many people cycle within their first 24-48 hours.
