

Find Skillpath Seminar Dates and Locations Through June 2009

By SemijnarInformation.com

Dated: Jan 15, 2009

SeminarInformation.com has just added hundreds of dates and locations for seminars presented by Skillpath seminars through June of 2009. Search by city, state, title, topic or keyword and find a seminar that will meet your needs and register online.

SeminarInformation.com (<http://www.seminarinformation.com>) has thousands of seminars and conferences listed by over 600 seminar sponsoring organizations.

The user-friendly site makes it easier to find a seminar, read the complete outline of the course and then register for the seminar online or toll free at 877-SEM-INFO (736-4636).

Skillpath is just one of the sponsors listing their training programs on SeminarInformation.com, the most comprehensive seminar website on the Internet.

Others who list with the website include National Seminars, Fred Pryor and Careertrack, Cornell University, Linkage, Learning Tree International, UCLA, Society of Automotive Engineers, Federal Publications, Lorman and Cross Country Education.

SeminarInformation.com has a complete catalog of Skillpath (<http://www.seminarinformation.com/skillpath>) and CompuMaster seminar dates and locations and provides complete outlines of each course.

Since its start, SkillPath has grown from holding just 82 seminars in 1989 to conducting more than 12,000 seminars each year. This growth was recognized in 1994, as SkillPath was placed number 32 on Inc. Magazine's annual listing of the 500 fastest-growing privately held companies in America. In 1995, SkillPath joined forces with Graceland College, a nationally recognized, private, undergraduate institution. For both SkillPath and Graceland, this partnership makes possible a long-sought objective: the potential for many to experience the joy and benefits obtained through lifelong learning and professional development.

Some of the Skillpath seminars listed and available for registration include:

Advanced Microsoft Excel Techniques

Advanced Troubleshooting, Maintaining & Upgrading PCs
