Dated: Jan 21, 2009

Labyrinth House Publishing officially launches into 2009 with the contract signing and 4 CD release of the highly popular, Dragon Ritual Drummers.

It's official, The Labyrinth Group, LLC has expanded their presence into book, music and art publishing through the launch of their new occult, new age and metaphysical traditional publishing division, Labyrinth House Publishing.

In the months leading up to the launch, The Labyrinth Group has been diligently working on their publishing division additions with the introduction of their first music contract deal with the popular, highly sought Drum Troupe from Ontario, Canada, The Dragon Ritual Drummers.

On October 31, 2008 the president of The Labyrinth Group, Starr Price traveled to the city of Salem, MA by invitation, to attend the highly publicized, red carpet event The Festival of The Dead, Salem Witches Ball organized by entrepreneur, and highly acclaimed witch and psychic, Christian Day. The event was two-fold, as the Dragon Ritual Drummers were a featured performer at the event which opened up the window of opportunity for a public contract signing.

After their energizing, crowd rising performance, the anticipated public contract signing between The Labyrinth Group (Labyrinth House Publishing) and the Dragon Ritual Drummers took place in front of a crowd of attendees.

Starr's public comments about the signing that evening: *"It's a great fit. We're very fortunate and excited to have such talent come aboard with Labyrinth House, they're all such amazing artists. It is rare to find talent who can instantaneously move people both physically and emotionally through their music."*

In mid February 2009, The Labyrinth Group will be expanding even farther with the launch of their Occult, Metaphysical and Paranormal Self-Publishing Division, Labyrinth Press. To our knowledge there is no other self publishing service, dedicated only to authors of these genres.
