Franchise Solutions' franchise directory features College Hunks Hauling Junk, the largest U.S. based junk removal franchise.

Franchise Solutions, a leading franchise and business buying information website, announced today that the largest U.S.-based junk removal franchise, College Hunks Hauling Junk, has joined its client roster. College Hunks Hauling Junk (http://www.franchisesolutions.com/franchise/College_Hunks_Hauling_Junk.cfm) provides junk removal and bulk trash removal services to commercial and residential customers across the United States. As people amass more and more clutter, demand for the franchise's junk removal services is soaring.

College Hunks Hauling Junk offers prospective franchisees the opportunity to own an award-winning concept that receives national media coverage, and enjoys widespread consumer brand recognition. The College Hunks Hauling Junk franchise opportunity is ranked one of the "Top 30 New Franchise Opportunities for 2009" by Entrepreneur magazine. Numerous network and cable television shows have showcased professional junk removal services that help people de-clutter and reclaim their space. College Hunks Hauling Junk has been featured on The Oprah Winfrey Show, and is currently assisting The Oprah Winfrey Show with finding guests willing to share their stories about clutter. College Hunks Hauling Junk franchisees benefit from owning a business that receives national publicity, and is quickly becoming a household name.

The low-investment junk removal franchise concept (http://www.franchisesolutions.com/cleaning_organizing_franchises.cfm) also offers entrepreneurs the opportunity to join an in-demand industry that's poised for continued growth. Traditional garbage companies don't collect items from inside homes and they typically don't provide the specialty services that many customers need. Residential and commercial customers that lack the time and resources to remove the clutter and unused items that they've accumulated are outsourcing the task to professional junk removal companies.

College Hunks Hauling Junk occupies a powerful position in this market. The company takes a socially responsible approach to junk removal by donating, or properly recycling or disposing of, all of the items collected. The staff consists of clean cut, professional junk haulers outfitted in golf shirts and khakis. College Hunks Hauling Junk franchisees benefit from the company's reputation for friendly, trustworthy, professional service, and play an important role in their communities.

Would-be College Hunks Hauling Junk franchisees should be outgoing, results-oriented and have sales, marketing, and/or management experience. Franchisees manage the business and their staff of junk haulers on a full-time basis. The streamlined business model is easy to operate and includes comprehensive training, support and state-of-the art technology and equipment.

More information regarding College Hunks Hauling Junk, as well as hundreds of additional franchise and business opportunities can be found on Franchise Solutions' website (<http://www.franchisesolutions.com/>). The website also features the latest business ownership news, articles about franchising, tools to connect with companies of interest, as well as resources which a prospective business owner may need.

Additionally and most importantly, Franchise Solutions enables future entrepreneurs to explore the over 90 industries which offer franchises and business opportunities for sale without any pressure to purchase a business.
